Headstone Collection

RODGER

A traditional Balmoral Red granite memorial with a rustic margin to enhance the lettering panel. The 125mm (5") thick headstone has a polished face, sanded back and rustic edges. The base is completely rustic, has a sloping weathered top and features an optional family name set in a sunken panel.

MERKLAND

Illustrated in BLACK granite with an all polished low maintenance finish. This memorial has barrel sides and a special chamfered edge to enhance the look of the memorial. A choice of laser etched figure ornaments is available.

MORTON

This inexpensive memorial illustrated in KARIN GREY granite, has a flower container positioned to the right of the headstone, allowing the inscription to be in full view at all times. The headstone has a polished face, sanded back and rustic edges. The base has a polished top with rustic sides.

NOBLE

This modern design in NORDEN GREY granite, illustrates a family name plate and flower container combination which is raised off the base, producing a stylish alternative to the norm. The headstone and nameplate have a polished face with the remainder sanded (unpolished). The base has a polished top with sanded edges and the small block under the nameplate is all sanded.

CROMBIE

This all polished low maintenance ROSEWOOD RED granite memorial has a gilded corner rose ornament with lined margins forming a frame around the inscription area. It is shown here with an optional KARIN GREY granite sub-base, which has an all sanded finish.
